Floridian Natural Gas Storage Company, LLC  
FERC Docket No. CP08-13-000

Dear Ms. Bose:

In connection with the Application of Floridian Natural Gas Storage Company, LLC ("FGS") for a certificate of public convenience and necessity to construct, own and operate a new natural gas storage facility filed on October 31, 2007 (the "Application") in the above-referenced docket, FGS hereby submits the following supplemental material:

- (1) May 14, 2008 letter from Nicki van Vonno, AICP, Growth Management Director for Martin County, Florida, confirming that, on May 6, 2008, the Board of Martin County Commissioners held a public hearing on the application of FGS and voted to approve the Master and Final Site Plan for the FGS Project. [Note: an electronic recording of that public hearing and vote will be submitted to FERC in a separate filing.] This represents an important milestone for the FGS Project. FGS's application to the County was submitted to FERC with FGS's Application as Appendix 2-H to Resource Report 2 (in Volume II-H of the Application).
- (2) April 30, 2008 letter from the Indiantown Education Coalition thanking FGS for its support and noting that FGS "meets the highest standard of corporate stewardship in the community of Martin County." This is a supplement to Exhibit Z to the Application which comprises letters of support for the FGS Project.

Mr. Brad Williams

Dear Brad:

The members of the Indiantown Education Coalition extend our sincere gratitude to you and the **Floridian Natural Gas Storage Company** for your support as a sponsor of the 2008 GROOVY NIGHT ON THE RANCH. Your "leveraged" donation of the 50/50 winnings was a fabulous bonus! Thanks to your benevolent support, the event has topped its previous fundraising record.

At the recent Scholarship Awards Night for South Fork High School, the Indiantown Education Coalition presented \$20,000.00 in scholarships to deserving students from Indiantown. For many of these students, they are the first in their families to graduate from high school, and the first to pursue the dream of postsecondary education. These funds will help to cover the expenses of books and supplies, as well as tuition costs. Thanks to your contribution, the **Floridian Natural Gas Storage Company** will play an enormous role in continuing these generous scholarships for the Indiantown graduates of 2009.

The **Floridian Natural Gas Storage Company** meets the highest standard of corporate stewardship in the community of Martin County. Once again, on behalf of the Indiantown Education Coalition, please accept the genuine appreciation of our students, educators, and community partners.

Sincerely,

Debra Banta  
Event Chairman
